USA-Interns Program

Requirements for Applicants from US Universities

A student going to Germany:

- Must be a US citizen or permanent resident thereof. A foreign national is eligible if he/she is a full-time student completing a Bachelor's/ Graduate degree at an accredited US university and will return to the US after the internship to complete his/her degree. Dual citizens may apply. Please note that non-US citizens are responsible for obtaining a visa for Germany if required. Students on an exchange year in the USA may not apply. Priority will be given to US citizens and permanent residents.
- Must be an enrolled student both **before and after** the internship. A recent graduate may apply, so long as his/her graduation took place no more than 6 months prior to commencing the internship.
- May be an undergraduate or a graduate student; undergraduates must have completed their Sophomore year **prior** to commencing the internship.
- Must be between the ages of 20 and 30. Exceptions exist for graduate students.
- Should have a minimum cum. GPA of 3.0. Exceptions exist in certain fields.
- Must have the ability to read, write and converse in German (equivalent to approx. 2 years of German language instruction). Exceptions may exist for graduate students and some majors. It is highly recommended that the student take a German refresher or introductory course prior to coming to German. Proficiency in English is required for non-native English speakers.
- Must have previously gained some form of work experience (student job, vacation job, clerical work, volunteer work, internship, etc.).

Questions concerning the applicant criteria may be addressed directly to the USA-Interns office at info@usa-interns.org
